

10 YEAR LIMITED WARRANTY ECO-GFX

Eco-GFX[™]
Drain water heat exchanger

EcoInnovation Technologies Inc. takes great care in the design and delivery of its products. When the product is used for its intended purpose (standard commercial plumbing system operating temperature and pressures, the use of non-caustic or corrosive drain products) the manufacturer offers a non-transferable warranty of ten (10) years on all products against manufacture defects from date of purchase. The accessories manufactured by a third party and supplied with the ECO-GFX are covered by their respective manufacturer warranties and are not covered by the above EcoInnovation Technologies Inc. warranty. EcoInnovation Technologies inc. assumes no responsibility with regards to these components.

If, during the warranty period, a defect due to manufacturing or workmanship occurs that is covered by this warranty, EcoInnovation Technologies inc. will proceed, entirely at its discretion, with the repair or replacement of the defective unit.

Since the installation and use of the ECO-GFX is outside of the control of EcoInnovation Technologies Inc., no warranty is offered by the manufacturer for problems resulting from installation. It is the responsibility of the purchaser to properly select the product and to ensure that the product and installation procedures conform to local laws and codes in effect.

In no case is EcoInnovation Technologies Inc responsible for prejudice to material, direct or indirect or as an accessory to other damages and/or expenses accrued, even if foreseeable, and even where resulting from the confirmed failure or the apparent or defect known by the purchaser, of all products or accessories distributed or sold by EcoInnovation Technologies Inc.

In no case is EcoInnovation Technologies Inc. responsible for premature wear of its products due to the properties of the products used in conjunction with its products. It is the purchaser's responsibility to ensure that the products used in conjunction with the ECO-GFX are compatible with its specified intended design and use.

The warranty in this document is non-transferable. The warranty will not be honored if the original serial number assigned by the manufacturer is not legible or has been removed or has worn away with time.

EcoInnovation Technologies does not offer any warranty on the optional components, other than those installed during manufacture of the ECO-GFX.

In the case of a defective product, contact the reseller in your area where you originally purchased the unit. All repairs or modification made without the specific written authorization of EcoInnovation Technologies Inc. will render this warranty void without prejudice against EcoInnovation Technologies Inc.
